

Standard Features:

- Auto Start/Auto Stop: Optical sensor detects paper and starts operation automatically
- LED Control Panel with Load Indicator
- Door Safety Sensor: Motor stops automatically if cabinet door is opened
- Auto Reverse: In case of paper jam, built-in controls switch motor into reverse to clear jam
- Heat-Treated Steel Cutters: Specially ground for longevity and require minimal oiling
- High Quality Geared Motor: Powerful, efficient AC geared-motor with heavy duty steel gears for high performance and minimal noise
- Extra-wide 16" feed opening
- Continuous-Duty Motor for non-stop operation
- All-Metal Cabinet with casters
- Auto Sensor: When the waste bin is full, the motor stops automatically
- Lifetime Guaranteed Heavy-Duty Waste Bin
- Auto Cleaning: If shred capacity is decreased, press reverse button for 5 seconds and motor will run in reverse for 1 minute
- Oil Indicator: After every 4 hours of use, the control panel LED flashes to suggest oiling cutting blades for optimal performance
- Self-Diagnosis System: Records operation time, number of auto-reverse sequences, volume of paper shredded, and can display information for service technicians
- Thermal overload protection
- Safety Circuit Breaker ensures safe operation

Abilities:

- Accepts staples, paper clips and credit cards
- Manual Function: For shredding small paper or films which can't be detected by the sensor

Options:

- EvenFlow™ Automatic Oiling System: Lubricates cutting blades for optimal performance
- Cutting Head Lubricating Oil: #8000-10, six 8-ounce bottles per case
- Shredder Bags: Uses #8000-50, case of 100

Warranty:

- Lifetime Limited Warranty on cutting head
- 1-Year Warranty on all other parts

Control Panel

Commercial-grade components in a sleek, practical design

Formax FD 8500CC & FD 8500SC Office Shredders are built to the highest standards for operator convenience, safety and reliability. Both Cross-cut and Strip-cut models feature an easy-to-use LED control panel which puts commercial-grade power right at your fingertips.

An extra-wide 16" feed opening accommodates green-bar computer forms. Heat-treated steel blades, a steel cabinet, lifetime guaranteed waste bin, and a powerful AC geared-motor ensure years of reliable performance and information security in your office environment.

The optional EvenFlow™ Automatic Oiling System helps to keep the FD 8500 in peak operating condition.
